KINGS CAMP
PRIVATE GAME RESERVE

UNSPOILT AFRICA

Situated in the Timbavati Private Nature Reserve, Kings Camp faces an open savanna plain with a waterhole, which is frequented by a wide variety of wildlife both day and night.

Kings Camp offers you a unique haven where you can live the true African Safari in refined luxury.

PURE INDULGENCE

Beautifully decorated in dark tones of wood and thatch, offsetting the natural colours of the bush, Kings Camp offers the ultimate in deluxe colonial accommodation.

The eight, generously spacious air-conditioned Suites come complete with luxurious amenities, Victorian ball-and-claw bath, an indoor and double outdoor shower, as well as a private veranda with a hammock overlooking the bush.

A ROMANTIC ESCAPE

Indulge in a romantic candlelit dinner whilst soaking up the glorious bush from your private deck...

Two spacious, air-conditioned Honeymoon Suites are exquisitely decorated and have an open plan lounge and bathroom, with both indoor and outdoor showers. Each Suite features its own refreshing plunge pool.

For your comfort and convenience these Suites are equipped with all luxurious modern amenities including wi-fi and a Nespresso coffee machine.

DECADENT DINING

Immerse yourself in stunning views whilst indulging in delicious cuisine in the spacious dining room, under the stars, around the pool or on the patio of your Suite.

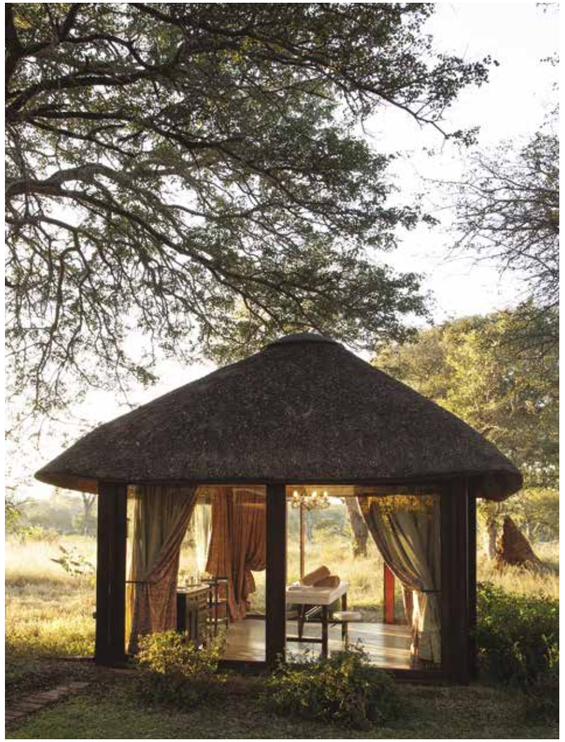
A scrumptious breakfast or elegant dinner nestled in the bush under the canopy of an aged tree is the perfect end to your spectacular game experience, where the sights and sounds leave you feeling at one with nature.

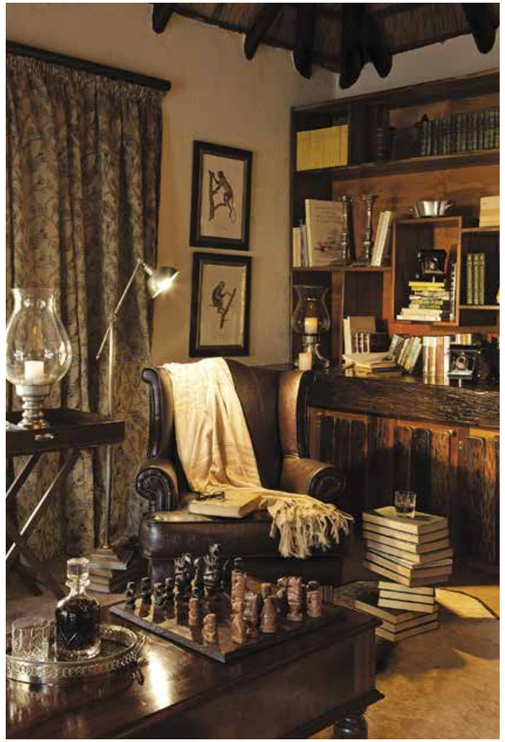
Alternatively, enjoy a hearty African feast around a crackling fire in the boma while reflecting on your day's game viewing.

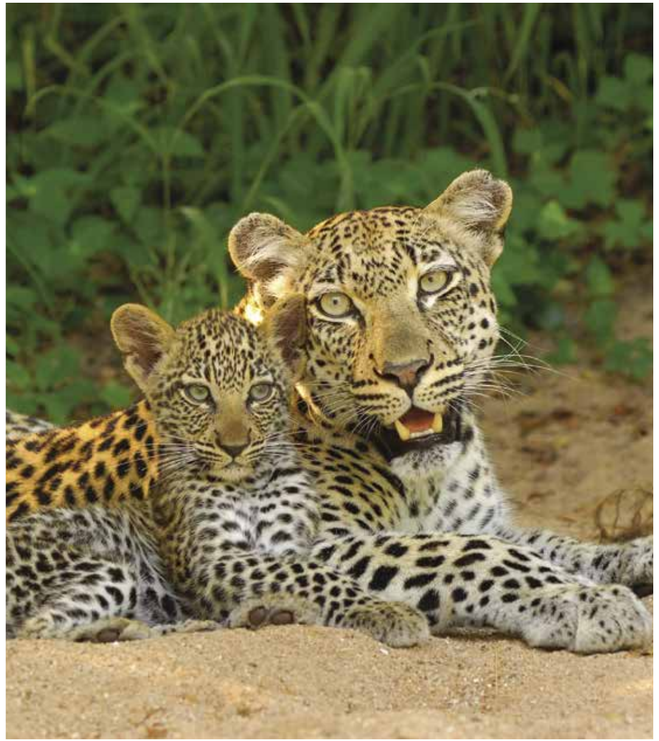
COLONIAL CHARM

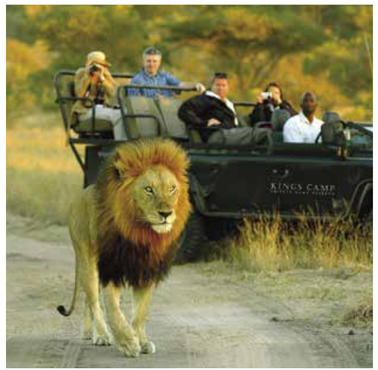
Kings Camp reflects the charm and romance of a Colonial past... A thatched viewing deck overlooking an active waterhole, and an open plan lounge and bar are ideal places where you can simply relax and soak up the tranquillity of the African bush.

Escape to a glass and thatch Tsala with magnificent views, or retreat to the comfort of your own suite to enjoy an array of pampering treatments. For guests not wanting to leave their fitness regime at home, they can work out in the well-equipped gym.









A TRUE AFRICAN EXPERIENCE

As part of the greater Kruger National Park, which covers an area of 2.2 million hectares, Kings Camp offers a wealth of bio-diversity.

With access to 100 square kilometres of traversing, big game abounds, with each day bringing something different whilst exploring the endless fascination of Africa's wildlife in an open Land Rover.

Whether it is a leopard on the hunt, lion roaring at twilight, hippo wallowing in the river, or a crocodile basking on a sandy bank; each viewing will enthral.
